WRITTEN OPINION OF THE INTERNATIONAL SEARCHING AUTHORITY

International application No.

PCT/US04/21379

| Box No. VIII | Certain | observations | on the | international | apı | lication |
|--------------|---------|--------------|--------|---------------|-----|----------|
|--------------|---------|--------------|--------|---------------|-----|----------|

The following observations on the claims, description, and drawings or on the questions whether the claims are fully supported by the description, are made:

Claim 1 is objected to as lacking clarity under PCT Rule 66.2(a)(v) because of the claim is not fully supported by the description. The description does not disclose the claimed invention in a manner sufficiently clear and complete for the claimed invention to be carried out by a person skilled in the art because; no one skilled in the art could enable the claimed invention, because the claimed invention is nearly impossible to construct.
